Brothers, I greet you in the name of the Supreme Basileus of the Universe. I pray that you, your families, and significant others are in the best of health and doing well!

The Executive council, Committee Chairs/Brothers, and dedicated brothers are working hard to ensure that our chapter performs the fraternity's mandated programs and our internal initiatives, while building bonds of friendship within the chapter, Omega, the city, county, and state. To focus our efforts, we have to create a strategic plan, which includes our mission, vision, values, and goals.

Mission: Brothers of Epsilon Mu Mu will positively engage and effectively Empower youth, Strengthen families, and Uplift communities through mandated programs, committee initiatives, community engagements, and internal team building.

Vision: Fulfill our obligation to maintain a consistent assembly of committed Brothers, inspired and bound by friendship and dedicated to our cardinal principles. Uniting in brotherhood empowers us to positively impact, uplift, and serve the youth, families, and individuals in Tampa, Hillsborough County, and surrounding communities - we do this socially, economically, politically, and professionally.

Values: Omega's cardinal principles of **Manhood, Scholarship, Perseverance, and Uplift!**

Goals: Conduct **multiple** mandated programs and chapter initiatives per month = **success**. Committee chairs please build your plans and update your calendars appropriately to share with the Vice Basileus.

- Ω Organic Brother growth (MSP – 10 brothers) - 10%
- Ω Brother Satisfaction (Survey/Participation) – 70%
- Ω Philanthropic giving (Scholarships) - \$6,000-\$12,000 or more a year
- Ω Brother Engagement (Meetings, Mandated Programs, Fraternizing) – 60%
- Ω Sponsor origination and growth - \$25,000

To be successful, we must have awareness of our organizations weaknesses. Each Brother should conduct a self-assessment and then assess the actions of the chapter. We have to be friendly in our actions with brothers internally and externally, ensuring that we overcome all Lukewarm enthusiasm. We must **communicate** in a timely and effective manner, while managing our competing initiatives to ensure that we **Live our Creed ensuring our mandated programs and initiatives do not fail.**

In the near future, you will receive a survey to assess activities and receive your input for desired action.

We have just six months (May-Oct) remaining in the Omega year and two meetings remaining before our summer break, no meeting in July. Let us plan accordingly, work hard for our FRATERNITY, and celebrate FRIENDSHIP in all of our activities.

In Friendship,
Brother Roderick R. Cunningham
